☒ Yes

**18. Please describe the LEA's Governing Board policy on appropriate accommodations for children with disabilities with respect to health and safety policies.\***

EESD adopts all policies advisories from Arizona School Board Association that advises our Governing Board to ensure we are in compliance.

**19. Has the LEA adopted a Governing Board policy on coordination with State and local health officials?**

\*

☐ No

## Continuity of Services

Including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

### 20. How will the LEA ensure Continuity of Services?\*

Briefly describe an overview of the continuity of services and in the following questions you will provide more detailed information.

EESD will continue to follow all guidelines to promote a safe and healthy environment for our student. We will continue to follow our curriculum maps and ensure all students education needs are met. Our bell schedules will continue.

### 21. How will the LEA ensure continuity of services for students' academic needs?\*

EESD will continue to provide a quality education for our students. We have curriculum maps for all grade levels. Students are screened within 45 days of enrollment to identify any needs in academics, communication, social emotional development, and physical development. Students with needs are referred to student study team and possibly to special education department for further evaluation. All students are screened using a variety of screeners to ensure that they are making progress. Students identified as not making progress are given multi tier interventions to address needs.

### 22. How will the LEA ensure continuity of services for students' social, emotional, and mental health needs?\*

EESD has a full time Counselor and uses local agencies to assist student emotionally and mentally. Students with needs that are impacting their educational abilities are identified and may be referred to special education department for further evaluation and or to help create a behavioral plan if warranted.

### 23. How will the LEA ensure continuity of services for students' other needs?\*

This may include student health and food services.

EESD will continue its practice to address the need of all individuals by reviewing Individual Education Plan (IEP's). All students are screened regularly to determine if there are any needs academically or emotionally. The staff will work together to provide interventions services to meet those needs.

### 24. How will the LEA ensure continuity of services for staff's social, emotional, and mental health needs?\*

EESD have service through our insurance provider to support our staff emotional and mental health challenges. New teachers are assigned a mentor teacher to help support them during the first year. Teachers are encouraged to ask for help at anytime.

### 25. How will the LEA ensure continuity of services for staff's other needs?\*

EESD has an open door policy where staff can feel safe to address any personal needs. We will continue our practice.

**The LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services through September 30, 2023**

**26. Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.\***

EESD follows all CDC, State and Federal Guidelines. These guidelines are fully considered and implemented to continue to provide a safe and healthy environment for students, staff and community..

**After completing all responses in EMAC, save your information. Then, use the red download button to create a copy of your completed form to be uploaded to your LEA website. Once your form is uploaded to your LEA website, log back into EMAC to click the blue submit button and submit your form to be reviewed by your specialist. Your EMAC submission will not be approved unless this updated form is on your LEA website.**

**27. Did you upload the completed EMAC form to your LEA website?\***

☒ Yes
