Dear Parents and Students:

In order to assist you and others in the pursuit of quality education the Eloy Elementary School District has established this handbook for parents and students to gain a stronger understanding of how our school operates. Use it as a reference tool for understanding our disciplinary practices and behavior expectations. These guidelines are designed to create a pleasant and safe environment for all students in our school.

Our attitude toward school plays a large role in determining how well you do in school. Your primary purpose for coming to school should be to learn and grow through classroom and extracurricular engagement.

You must remember that you are responsible for your actions. If your actions are in violation of school guidelines, you will have to accept the consequences. You should also understand that Arizona law allows the school district to hold you accountable for your behavior during the school day and school sponsored programs. Your daily goal is to strive to be better than you were yesterday!

School Vision Statement: Eloy Elementary, in partnership with our parents and community, is committed to offering ongoing academic excellence by:

Engaging and encouraging students to

Exceed standards while

Supporting all learning in order to

Develop and promote successful, productive citizens!

Sincerely,

Eloy Elementary School District Administration, Faculty and Staff

Eloy Elementary School District would like to provide parents with a better understanding on truancy this coming school year. Information regarding attendance policies and procedures are as follows:

Contributing to the delinquency of a

minor is a criminal offense. The consequences for parent(s)/guardian(s) include: A fine up to \$2,500 and a jail sentence up to six (6) months in jail.

Our mission for Eloy Elementary School District is to ensure that every student reaches their educational and personal goals. This is achieved by every student being in school every day and on time. Together we can help your child reach his/her goals.

Appointments

We ask that you try to schedule your appointments for your child after school. When your child is checked out early from school he/she misses valuable instructional time.

Makeup Work

Students may make up work following excused/unexcused absences and receive full credit. It is the students responsibility to pick up their homework.

Student information Form

During the first week of school your child's teacher will be sending home an information sheet for parents to complete. Having this information returned promptly and correctly is very important. A record of this information is kept in the school office in case you need to be contacted. Please make sure all telephone numbers and addresses are accurate and clearly written. Remember to put the name and telephone number of a person who can be contacted in case you cannot be reached. **Please notify the school if**

you change addresses or telephone numbers during the year. It is very important that our records are kept up to date.

Breakfast and Lunch Programs

Breakfast and lunch are provided to all students free of charge.

Medication

Students who need to take prescription medication must have the appropriate authorization form signed by the **parent** before the medication can be brought to school. There must also be a written order from the physician stating the nature of the medicine, dosage and the time it is to be administered. The medication and authorization forms will be kept in the clinic. The medication must be brought to school by the parent in the original container. If a student needs to take prescription medication during school hours, it will be given by the school health nurse/aide.

Information on ways to administer most prescription medications outside of school hours is available from your doctor or pharmacist and should be requested. The school will provide non-aspirin pain reliever/fever reducer, antacid, topical antibiotic cream, topical antipyretic (such as calamine), cough drops, oral pain reliever (such as Ora-Gel) for students.

Seriously ill and Injured Children

If your child becomes seriously ill or is injured at school, we will utilize the services of our school health nurse/aide

to make him/her as comfortable as possible and will attempt to contact you immediately. If we cannot reach you, we will use the emergency contact information you have provided on the student information form.

Please remember we cannot keep seriously ill children at school.

Children referred to the school health nurse/aide for noticeable health problems will be briefly checked and the parents notified of the condition prompting the referral. Responsibility for obtaining adequate treatment rests with the parents or legal guardians.

Immunization of Students

Subject to the exemptions as provided by law, immunization against diphtheria, tetanus, pertussis, poliomyelitis, rubella (measles), mumps, rubella (German measles), hepatitis B, haemophilus influenza B (HIB), and varicella (chicken pox) is required for attendance of a student in a school district.

- A student immunization record must be submitted prior to attendance, although students may be conditionally enrolled provided that necessary immunizations have been initiated and a schedule has been established for completion of the required immunizations.

Communicable Diseases

Any student with/or recovering from a communicable disease will not be

permitted in school until the period if contagion is passed or until a physician recommends a return, in accordance with the A.R.S. 36-629 and A.R.S. 36-629.01 appropriate regulations of the County Health Department.

Bus Regulations

Students are assigned to ride school buses that will pick them up and drop them off at stops near their homes. Students are not allowed to ride a bus other than their assigned bus.

We urge you to discuss the bus rules with your child for his/her own safety. Self control on the school bus is a must and misbehavior will not be tolerated. Subsequent bus referrals will result in a bus suspension.

Denial of School Bus Service

Bus riding is a privilege, not a right. Inappropriate conduct at bus stops, on buses or in the process of boarding or disembarking a bus may result in the denial of bus riding privileges. When school bus rules are consistently violated and cause danger to the students or drivers, the following will occur: Warning- The bus driver may issue a warning note to give students the chance to correct their behavior before disciplinary action is taken.

- First infraction- The first documented infraction may result in a denial of bus riding privileges for a minimum of one day.
- Second infraction - May result in a minimum of three days denial of bus riding privileges.
- Third infraction - May result in up to 15 days denial of bus riding privileges.
- Fourth infraction - May result in a denial of bus riding privileges for one month , or the remainder of the semester, whichever is longer.
- **If an infraction is deemed serious enough the student may be denied bus riding privileges for an entire school year.**

Transportation Changes

Please notify the office in advance if there is to be a transportation change for your child. This notification must be in writing or through telephoning the office. We must insist that you do not wait until the end of the school day to make changes in your child's transportation. This will help avoid confusion or mix-ups about your child getting home during the school year. If no appropriate notification is received by 1:00 p.m. your child will be expected to follow his/her regular method of getting home.

Field Trips

Classes are generally permitted to take field trips during the school year. Written

parental permission is required for any field trip. All field trip experiences have a direct bearing on the instructional curriculum, academic or extracurricular success. Field trips are a privilege and that privilege can be suspended or revoked if the student does not show himself responsible inside and outside of the classroom.

July 10, 2024

Dear Parents:

The Eloy Elementary School District is looking forward to the start of the 2024-25 school year. The first day of school for students is Monday, July 15, 2024. The Student Handbook is available on the District Website. Below are several important reminders/changes to information you can find in the handbook. The changes and reminders below are the continuing efforts of EESD to provide the best possible safety and learning opportunities for your children. Parents/Guardians will need to sign this document at the bottom of this page:

- **CELL PHONES:** During school hours, all student cell phones are required to be turned off and stowed away in backpacks. The use of cell phones by students during the school day creates an unnecessary disturbance of the academic process and the focus of students during the learning process. Refer to the Handbook for the progression of consequences for violations of the District Policy.
- **TARDIES:** All students are required to be at school prior to 8:00AM. Students arriving late creates an unnecessary disturbance to the start of the school day.. Effective the second week of school, Monday, July 22nd, the gates on all three campuses will be closed promptly at 8:00AM. Students must be at school on time! Refer to the Handbook for the progression of consequences for violations of the District Policy.
- **EARLY STUDENT CHECKOUT:** Parents/Guardians are NOT allowed to check out students after 2:30PM. After 2:30 you must wait until dismissal to pick up your child. This is for the overall safety and welfare of students.

Respectfully,
EESD Administration
